description

The Doro HandleEasy 330gsm, with its distinctive big buttons is an easy to use mobile phone for everyday calling and text messaging. It's been designed for people who just want a phone to make and receive phone calls along with some additional functions such as SMS, alarm clock, calculator and a torch. It can send and receive SMS text messages and has a 100 Memory phone book. The phone has an LED torch and a safety alarm button, a large non reflective colour screen and rubberised buttons. It has a loud handsfree speakphone and a vibrating alert. It is Ear Hook compatible and is available in a white or black soft touch finish.

consumer package
